Online Banking Web Browser Support Changes

Effective January 1, 2021, F&M Bank Online Banking will no longer be supported in Internet Explorer or legacy Microsoft Edge. If you currently using Internet Explorer, it is recommended your switch to the new Microsoft Edge or another supported browser. Legacy Microsoft Edge can be upgraded to a newer version.

This notice is coming after many internet sites and [Microsoft Office 365](#) announced the removal of support with Internet Explorer.

Additionally, F&M Bank Mobile Banking will not be supported in Android version less and 6.0 and iOS version less that 12.0.

If you have any questions, you can call F&M Bank at (800) 235-5331.
