

Stimulus Deposit Information

In preparation of stimulus check deposits, we wanted to update you on a few things to keep in mind.

1. F&M Bank receives direct deposits from the Federal Reserve at 9:00am and again at 3:30pm. So, if you check your account at the end of the day and do not see a deposit, it was not received that day.
2. If you are an online banking user, you can sign up for alerts when receiving a deposit. Simply login and go to options, alerts, and events to select which activities you would like to receive email or text alerts for.
3. To check the status of your stimulus payment, you can visit:
<https://www.irs.gov/coronavirus/get-my-payment>.

If you have other questions, you can call F&M Bank at (800) 235-5331.
